participate in this type of legislation till they do something, be more broader and positive. Secondly, down home ... if he relates to the Falstaff Brewery, this is the only brewery we have in the State of Nebraska. Continental Can is the only can company. We had two, American Can and they left several months ago. So I stand here in conscious trying to tell you that a man who made statements,... derogatory ... creates an interest like he did in reference to these two companies, should put up or shut up. I advise you I sent you all a copy of the literature that he wrote me. I also sent you a copy of the letter I wrote to the members of the Game Commission and asked that the man be relieved of his responsibilities in the capacity that he's in.

Mr. President, now I'm asking to withdraw the motion I made.

PRESIDENT: Motion is withdrawn. Read the bill.

CLERK: Read title to LB 861.

(Machine turned off)

PRESIDENT: ... passes. Select File. LB 806, Mr. Clerk.

CLERK: Mr. President, I think there is a request to lay over 806 until tomorrow. Mr. President, I think Senator Dick Lewis wanted to lay the bill over.

PRESIDENT: Well regardless of that, I think then we might as well go ahead with LB 782 which is a motion to return to Select File by Senator Kime. Then Senator Lewis can advise us.

CLERK: OK, Mr. President, on 782....

PRESIDENT: Senator Lewis, did you have a request to lay over 806?

SENATOR R. LEWIS: Yes, Mr. President, only for the purpose of correcting some errors in it.

PRESIDENT: OK. To a specific date?

SENATOR R. LEWIS: Tomorrow will be fine or even later today if you want to take it up after lunch.

PRESIDENT: Well we'll see, but tomorrow for sure?

SENATOR R. LEWIS: Yes.

PRESIDENT: Alright. Is there an objection? Seeing none it's so ordered. Now we go to Senator Kime's motion to return LB 782.

CLERK: Mr. President, there's a motion to return LB 782 to Select File for a specific amendment. Signed, Senator Kime. The motion was made yesterday and the whole matter was laid over. The specific amendment is referenced on page 1144 of the Journal. It is printed separate from the Journal and is found in your bill book.
